Multifunction express with Enhanced productivity!

Large-scale work orders? Do you need to produce convincing results fast? It's this easy: Use the diverse functions of our A3 b/w multifunctional systems to copy, print, scan – including on the move via WiFi* – or to fax. A high paper capacity and professional paper management mean that you are well equipped for printing high volumes.

Don't lose time searching for documents, and keep an eye on your print jobs. Configure your system with the optional hardware and software features to suit your individual needs.

Your benefits:

Maximum productivity: It's easy to complete large-scale print jobs such as brochures, form letters, budgets or folder contents with indexes. Take advantage of professional finishing* and you will give your print jobs an excellent finishing touch.

Professional paper management: Benefit from the high paper capacities of up to 7,650 pages from 8 paper feeds* for various types of paper and replace your toner cartridges during ongoing operations. Print special formats up to A3+ as well as intermediate formats from the cassette, paper weights up to 300 g/m², tab sheets and banner paper, and define up to 50 dividers in just one print job.

Create documents quickly: High-speed outputs of up to 80 A4 pages/minute, to 40 A3 pages/minute (8055i), 100% duplex productivity, short warm-up times and output of the first copy after a mere 5.2/4.7 seconds (6555i/8055i) ensure that complex tasks can be completed rapidly. The standard dual scan original feeder scans up to 100 singlesided A4 original pages/minute.

Customised functionality: It is easy to integrate optional software solutions for scanning, productivity and security using the HyPAS interface – all in exact accordance with your individual needs. Save time and money with solutions for Follow-Me-Printing* within the network or for creating text-searchable documents when scanning.
